

GOOD THINGS are happening at **Church On The Hill**. Send stories to jmoen@hillchurch.com

1. Yesterday I met with about **20 key leaders** in our various Recovery Ministries. That team will take the whole world for Christ, not just Yamhill County. What a great group of people.

2. The **Sportsman Show** team is rolling out plans for a fantastic show on June 19th & 20th. What a great group of people to bring back [a great way](#) to connect people with one another.

3. We just hosted a **Teen Bible Quizzing** event where hundreds of teens from Oregon showed they are spending hundreds of hours learning the Bible. That makes me believe in the youth of today.

4. A dozen new **volunteers** have joined our Service Planning Teams to provide even greater worship and celebration services on the weekends. Volunteerism is alive and well around here.

5. **Denise Wilson** wrote in on Jan. 7th, *"I love reading 'Good Things'!! This week was especially good and so uplifting-thanks for all you do at COTH!"*
