1. **Jim Fuller** says, *"One year ago I was a total crying wreck. Things in my life are way, way better. There is hope, love and peace in my life as I began my new walk with Jesus and with this godly church family."*

2. Beth & Andrew Eddings say [**about FPU**], *"We paid off a little over \$20,000 in 18 months and have about one-third of our emergency fund funded. Dave's principles are challenging but they can be accomplished with some determination, teamwork, and a lot of prayer!"*

3. **Donna Mehlhoff** writes to Pastor Ashley, *"I wanted to tell you what a darling Mary & Joseph you have! That was the best Christmas program ever!"*

4. **Bill & Diane Landgraf** traveled 1,865 miles this year delivering a dozen cookies to 261 visiting families. They say they are *"Courageously following Christ with you [all]."* We sure love the Landgrafs.

5. **Tony Narveson** says, *"A huge thank you to all involved in Tree of Hope. Three of my grand-children were recipients this year and we are amazed at the generosity. The gifts were great and the kids were blessed. What you have done is awesome."*
